From Brand: Star Trek : A Place Among the Stars--The Women of Star Trek Voyager: 22 Postcards Celebrating the Women of Starship Voyager! before purchasing it in order to gage whether or not it would be worth my time, and all praised A Place Among the Stars--The Women of Star Trek Voyager: 22 Postcards Celebrating the Women of Starship Voyager!:

0 of 0 people found the following review helpful. basic postcards, nothing specialBy Paul A. SpanglerI'm glad I got this cheap. A very basic postcard book of stand alone shots of the female crew members of Voyager. I'll probably be able to use most of them.19 of 22 people found the following review helpful. Its POSTCARDS onlyBy JadeJust wanted to clear up the fact that this "novel" is POSTCARDS ONLY in case you're interested. There is a review in here that makes it sound like this is a great novel! Obviously they have never physically seen "A Place Among the Stars" before! But if it's pics you want, its what you'll get. I only really enjoyed 4 or 5 of them. I thought the selection was boring and unimaginative. More action shots is what was needed. The last pic, showing Janeway pointing her phaser, is nice. So is the one of the 3 girls (excluding 7). They are looking at/posing for the camera and it has a very nice "off the set" feel. There is also a good one of Jennifer Lien alone. Other than that they are simply...pics. I found the same boring selection in the ST Voyager calendar. Oh well, it's still Voyager! You KNOW you love it!0 of 0 people found the following review helpful.
