Great book for the coffee tableBy Bold Gray MareThis treasure of A Treasury of Bookplates from Dover Publications is a feast for the eyes--A visual treat for artists and art lovers alike. Softcover book is approx. 8-1/2 x 11-1/4". 146 pages with 4 to 6 black white images per page; totaling 761 illustrations. Includes bookplates from Germany, Great Britain, United States, France, Italy, Belgium, The Netherlands, Czechoslovakia, Soviet Union, Japan, Hungary and Spain. Some nudity, but tasteful (in my opinion). There are a mere five pages of text, the introduction. In the back of the book there is an A to Z index of the Artists.

Selecting the finest specimens by Drer, Beardsley, Kent, and others, the former editor of American Artist offers 761

miniature works of art representing 500 years of the bookplate from the first known example ca. 1450 to a wide range of fascinating 20th-century designs. Most comprehensive collection available. Introduction.
