America's great gunmakers are more than industrial entities. They are centers of exacting craftsmanship and precision engineering, and they are truly living legends. American gunmakers built not only the guns that won the Wild West but the guns that won both World Wars, and which today delight demanding sportsmen the world over In this three

book boxed set you will read about each of America's legendary gunmakers: Colt, Remington and Winchester. This is a carefully researched and illustrated book with hundreds of photographs telling the full story of the American firearms gunmakers. This classic set is a treasure sure to delight any gun enthusiast, whether sportsman or historian.
