(Ebook pdf) American Flyer Pocket Price Guide 1946-2004 (Greenberg's Pocket Price Guide)

# American Flyer Pocket Price Guide 1946-2004 (Greenberg's Pocket Price Guide)

**Kent J. Johnson :** American Flyer Pocket Price Guide 1946-2004 (Greenberg's Pocket Price Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Flyer Pocket Price Guide 1946-2004 (Greenberg's Pocket Price Guide):

0 of 0 people found the following review helpful. Great Service Product PriceBy Bill L. ZuspanNo problem with this order. Fast Service and a very good product. Very happy with Keep up the good work! I have ordered many times before and have never had a bad experience.If all businesses would be this good, our economy and joblessness would be in a very much improved stat.Thanks again.0 of 0 people found the following review helpful. American Flyer Price Guide - UselessBy the bearOnly part numbers are shown. So if you do not the part number you cannot get a price. I had hoped that there would be photos of equipment also. Should have returned it. I was trying to sell my American Flyer train stuff.0 of 0 people found the following review helpful. Great guide for American Flyer Trains.By Christian L LamkenThis is a good starter book that gives you an idea of what your old American Flyer Trains are worth. Personally I would just keep them because they do not make these trains any more.

Provides collectors with current market prices for American Flyer trains produced between 1946 and 2005. Includes a brief description of each item with production date and significant variations. Pricing information is provided for items in good or excellent condition. Includes prices for other prominent S gauge manufacturers (S-Helper Service and American Models).
