From Brand: Chipstone : American Furniture 2003 (American Furniture Annual) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Furniture 2003 (American Furniture Annual):

Acknowledged as the journal of record in its field, American Furniture presents new research on furniture design, use, production, and appreciation. Begun in 1993, this award-winning annual provides a comprehensive forum on furniture history, technology, connoisseurship, and conservation by the foremost scholars in the field. It is the only interdisciplinary journal devoted exclusively to furniture made or used in the Americas from the 17th century to the present.
