American Silver (Dover Jewelry and Metalwork)

John Marshall Phillips : American Silver (Dover Jewelry and Metalwork) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Silver (Dover Jewelry and Metalwork):

3 of 5 people found the following review helpful. A simple review of the evolving styles and artBy Midwest Book ReviewThis slim handbook provides a practical introduction to the history and identification of early American silverwork: American Silver draws on existing research and artifacts to provide a simple review of the evolving styles and art of American silver from settlement days through the 1800s. Black and white photos and drawings enhance the presentation.

A practical guide to recognizing, identifying, and appreciating the finest American silverwork. Photographs and drawings of masterworks from leading collections show some of the finest work by Jacob Hurd, Jeremiah Dummer, Peter van Dyck, Edward Winslow, John Coney, Paul Revere, and other renowned silversmiths. 52 halftones, 14 black-and-white line illustrations.
