Ancient Egyptian Fashions (Dover Fashion Coloring Book)

Tom Tierney : Ancient Egyptian Fashions (Dover Fashion Coloring Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ancient Egyptian Fashions (Dover Fashion Coloring Book):

4 of 4 people found the following review helpful. Love the detailsBy bookandcdfreeI love all the details that went into this book. And as for side boobs, who cares? It's not as if it's full of full frontal nudity, or anything like that.Besides, back then, in THAT climate, you went naked a lot of the time; especially if you were poor or a slave. It was just a fact of life.It's not as if this book is depicting any kind of graphic sex! THAT would be gross! But side boobies? Boobs are simply overly enlarged sweat glands meant for two things; attracting mates and feeding babies. That is IT!1 of 1 people found the following review helpful. Not for young childrenBy KiaraThis will be a good book to use in my classroom. However, I have to take points off because of the boobs. Both women AND men have exposed nipples, in *some* pictures. Other times, there is an implied chest, which is more tasteful. That being said,

why do all the women need to be so well endowed? Couldn't some women be curvy, and some be flat chested? Just thoughts I had while flipping through this book. Most of it will be very useful!3 of 3 people found the following review helpful. Almost too accurateBy Rose DiazThis book is a great way to see what clothing was worn from slave to pharaoh. I teach ELD 6th grade and we cover ancient civilizations and it's really hard my students to picture the people so I was hoping to use this book for visuals. Since clothes were not as modest as now I unfortunately won't be able to show the pictures that have bare or detailed breasts even though that's how they were. So the con for me is I can't use all of the pictures for what I intended. I will probably buy the Greek one as well but I assume I will have the same issue.

Drawing on images from temples, wall paintings, pottery, and other artifacts, artist Tom Tierney has created a magnificent ready-to-color panorama of authentic clothing styles worn by the people of ancient Egypt. Forty-five full-page illustrations depict clothing styles for the highest and lowest members of Egyptian society, including a fashionable sheath worn by an Egyptian princess, a sheer kilt and red crown worn by a king of the Old Kingdom, a pleated skirt for an exotic dancer, a ceremonial robe of leopard skin for Queen Hatshepsut, simply draped gowns for court musicians, a variety of intricately styled wigs, lavish headgear for royal figures, and much more. Accompanied by accurate representations of period accessories (weapons, fans, symbols of office, musical instruments, etc.), these handsome illustrations are sure to delight coloring book enthusiasts, students of costume design, and fashion historians.

About the AuthorOne of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
