Good reference guide, a little too much TWBy John HowardI've come into a collection of old and antique golf clubs. This reference guide has helped me sort through the chaff and really get to the difference between valuable and junk. It is also a great book for learning about the history of all things golf in enough detail to keep interest without being bogged down in fluff (well maybe a little fluff!).0 of 0 people found the following review helpful. Antique Golf ColletiblesBy Doretha GuptonGreat Info on antique clubs.

This guide to antique gold collectibles includes chapters on: autographs, antique clubs and balls, signature gold balls,

collecting golf books, artwork, ceramics, medals and trophies, as well as trading cards and other collectibles. A chapter is also devoted to Tiger Woods.
