Antique Hunter's Guide to American Silver Pewter

Donald L. Fennimore : Antique Hunter's Guide to American Silver Pewter before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Antique Hunter's Guide to American Silver Pewter*:

0 of 0 people found the following review helpful. Great information
By Customer I love the compact size, but the type size is very nice. It had many pictures and a lot of detailed information.
0 of 0 people found the following review helpful. Four Stars
By Colleen Happy with the book. Found what I've been looking for from this book.
0 of 0 people found the following review helpful. Pretty Good
By pam Good reference book, I collect pewter and was kind of disappointed there wasn't much pewter in it, mostly silver, the book was good quality and had good pictures

This visual antique reference guide has all the information readers need to identify and appraise American silver and pewter—from Colonial times to the present. Each piece—450 in all—is photographed in full color and accompanied by a detailed description of the piece, origin, date of manufacture, relationship to similar pieces and rarity, and hints for collectors, helping readers spot potentially valuable heirlooms stashed at home or at garage sales, consignment stores and flea markets.

From the Inside Flap
With over 450 examples of American silver, silver-plated, and pewter; *American Silver Pewter* is the ultimate guide to the highly popular field of collectibles. From lovely Victorian flatware to graceful Federal tureens to beautifully shaped pewter tankards, this volume covers the entire range of silver and pewter objects made in America and is perfect for novice and experienced collectors alike. Expertly researched, this handy volume features a full-color photograph of each object, accompanied by an extensive caption describing the object, its marks and dimensions, its maker and the date it was made, as well as hints for collectors such as scarcity, demand, and background information on the maker. Easy-to-use, portable, and brimming with information, *American Silver Pewter* also features a reference guide to flatware patterns (illustrated with line drawings), a glossary, and a guide to makers and their marks. An up-to-date price guide provides a range of prices for each piece, as well as a selection of comparison prices for English-made and other equivalent pieces.
From the Back Cover
The best, most convenient portable guides I have ever seen - a boon for the general collector. -*Art Antiques*
From simple Colonial pewter candlesticks to elegant silver Victorian serving dishes, silver and pewter objects have long been valued and treasured as family heirlooms and highly popular collectibles. *American Silver Pewter* presents more than 450 objects photographed, appraised and categorized specifically for the collector. Each photograph is accompanied by an extensive caption describing the piece's attributes, the year of manufacture, the maker, and hints for collectors such as the scarcity of the piece, its condition, and points to check before buying. An up-to-date price guide rounds out this invaluable guidebook.
