Nicholas D Snider : Antique Sweetheart Jewelry (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Antique Sweetheart Jewelry (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. Good bookBy Deon BarnardOnly a small part of the book which is about the wings section was of value to me. I collect only the wings from WW2 but in general still a good book.3 of 5 people found the following review helpful. Seller will not respond to me-Still NO BOOK I ordered March 24th 2011!By bellaBLUUPDATE: JUNE 2011- WOW SO SELLER (EC7 Enterprises) FINALLY sent the book to me, after absolutely NO Emails sent back to me, which was VERY RUDE,and ONLY after I filled a claim against them with ! HORRIBLE HORRIBLE CUSTOMER SERVICE- I DO NOT RECOMMEND BUYING FROM THEM UNLESS YOU POSSIBLY WANT TO PLAY A WAITING GAME FOR THE PRODUCT YOU PURCHASE FROM THEM, FIRST HORRIBLE EXPERIENCE WITH AMAZON, BUT SINCE MARCH I HAVE HAD A TOTAL OF 3 BAD SELLERS ON AMAZON, INCLUDING THIS ONE...BEWARE!!!!ORIGINAL POST: I

purchased a book from seller (EC7 Enterprises) on March 24, 2011, it is now April 6, 2011 and I still have NOT received my book, it is still "being processed" in my account -AND- the seller will NOT respond to any of my previous (3+) emails asking whats going on. I badly need the book I ordered, and have been asking seller to let me know what is going on if they do not have the book, to let me know this information and cancel my order so I can go elsewhere- still no response from the seller....I just don't understand why everyone else has gotten their orders "in record time" and the seller wont even respond to my many pleading and begging emails to simply let me know what the heck the deal is??! As your PAYING customer, I just want AND DESERVE some communication and customer service PLEASE PLEASE PLEASE. Thank you! 4 of 4 people found the following review helpful. Don't judge this book by its cover By Liam SW If you are looking for a reference guide, a price guide, or information on many of the items on the cover, this book is NOT for you. The sections, such as they are, tend to be one page of text, much of which is repeated chapter after chapter almost verbatim. The pictures are arranged in rows with little information in the caption - and the price guide is simply a two-page cross-reference in the back of the book. The longest section relates to paper collectibles; handkerchiefs, banners, and pillows also have individual chapters. This is the second edition; perhaps the third will be the charm.

This second book by Nick Snider presents the popular collectible military sweetheart jewelry and collectibles that were so important to the home front during World War I and II. Over 200 color photographs, most of full-page size, display thousands of items of jewelry, banners, pillow covers, paper items and compacts, as well as special sections on the Seabee (Construction Battalion) and WASP (Women's Airforce Service Pilot) items. Experience the human side of warfare through appreciation of the patriotic items displayed herein.
