It has great pictures and descriptions, but all of this is now outdated and there are newer ones out there. Of course it doesn't contain the hundreds of thousands of tins in circulation today, but it contains a decent amount...enough to get a new person started.1 of 1 people found the following review helpful. Tin Fanatics will love this!By R. DenleyA nice detailed book on tins with plenty of good pictures of a vast assortment of collectible metal cans, tins and containers!1 of 1 people found the following review helpful. Five StarsBy pamela m martinezLove it! Amazing Book!

This beautiful value guide features over 1,500 gorgeous color photos of every type of tin from tobacco and coffee to the highly sought-after talcum and spice tins, many of which feature beautiful graphic designs. The values in this guide

were determined from countless hours of research and input from dealers, collectors, and owners of these tins. The guide provides current price ranges for every tin pictured, information on tin collector's clubs, and a condition comparison scale. **AUTHOR BIO:** Fred Dodge has traveled abroad in his years of antique tin collecting. After countless hours of research and input from dealers, collectors, and tin owners, he authored a popular three-volume series, *Antique Tins*. **REVIEW:** Within this book readers will find tins from talented artists who have captured hundreds of colorful eye-catching graphics, many of which commemorate special historic events ranging from politics and sports, to famous people and places. Hundreds of tins are featured in full color.
