[FREE] Antique Trader Furniture Price Guide, 3rd Edition

## Antique Trader Furniture Price Guide, 3rd Edition

**Kyle Husfloen : Antique Trader Furniture Price Guide, 3rd Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Antique Trader Furniture Price Guide, 3rd Edition:

0 of 0 people found the following review helpful. Looks Good But What Do I Really Know About ItBy As I like ItMy eyes and heart are usually what draw me to a piece of furniture. I love antique fairs, estate sales, auctions and garage

sales and I am always looking for special pieces to bring character and charm to the nest. I bought this book to help educate my eyes and heart and identify what they have fallen in love with. This book is full of information useful to that purpose - everything from identifying periods and styles to learning how to describe the different elements of a piece of furniture. The pricing part of the guide is interesting study. In my case my pocketbook sets price. I have already been able to put some of the information I found in the book to good use so I am happy to have this guide on my shelves.0 of 0 people found the following review helpful. Four StarsBy REWRITENice book. Helpful.1 of 1 people found the following review helpful. Great resource for researching antiquesBy Brenda StaleyI feel this book has best information on history of antique furniture available at this time. For developing knowledge on the subject.

In this new edition of the most functional furniture price guide, author Kyle Husfloen covers all major styles of American and European furniture from the 17th century through the mid-20th century. You'll discover extensive pricing for bedroom suites, beds, benches, chests and chest of drawers, cradles, sofas, settees, wardrobes and armoires, as well as an illustrated guide to American furniture terms.
