I think I was looking for a little more extensive information but it is good to have and I have learned from it, which was the ultimate goal.0 of 0 people found the following review helpful. Two StarsBy Rachel ParkmanWasn't very helpful.1 of 1 people found the following review helpful. Great for identificationBy craftygirl1961I would recommend this book, especially if you need to identify kitchen utensils, which are often misidentified. Great pictures and history.

With kitchens often serving as the heart or hub of any household, it's no surprise the gadgets, goodies and graters of the kitchens of yesteryear with a popular choice among fellow collectors. Antique Trader Kitchen Collectibles Price Guide outlines the history behind innovations such as eggbeaters, string holders, teapots, rolling pins, coffee pots, ice cream scoops and canisters, while offering advice on making smart collecting decisions. Plus, each listing contains detailed and reliable pricing and stunning color photos you have come to appreciate from Antique Trader books.
