Archibet: From Aalto to Zaha Hadid

Federico Babina : Archibet: From Aalto to Zaha Hadid before purchasing it in order to gage whether or not it would be worth my time, and all praised Archibet: From Aalto to Zaha Hadid:

0 of 0 people found the following review helpful. Great cards for architecture lovesBy anna androsovaGreat cards for architecture loves. I used them as thank you notes for my architecture classmates! Everyone loved it!1 of 1 people found the following review helpful. ... colorful, fanciful, off-beat cards ...By Curtis W. Bobbitt...colorful, fanciful, off-beat cards. I will send them to friends whose names begin with the architectural letters.0 of 0 people found the following review helpful. Two StarsBy MIGUEL CONCHAScratch on one side. Not a brand new item

This charming collection of 26 detachable postcards features a card for each letter of the alphabet. Illustrated by

architect and illustrator Federico Babina, each letter playfully resembles a building in the style of a famous architect. Covering names from Alvar Aalto to Zaha Hadid, this postcard book is perfect for sharing with or sending to architecturally minded friends.

About the Author Federico Babina is an Italian architect and illustrator and has been based in Barcelona since 2007.
