Walterboro is a city of beautiful, living memories, with Old South plantations dotting its surrounding countrysides and peaceful scenes graced by Spanish moss swaying gently from hundred-year-old live oak trees. Established as a

summer haven for rice planters from lower Colleton County in 1784, Walterboro served a similar purpose from the 1920s to the 1950s, when it was The Place to stop for anxious vacationers making the trek from New York to Florida. Around Walterboro hopes to recapture those earlier days when Walterboros main commercial ingredients were made up of family-owned businesses located along two-lane highways instead of todays chain motels and fast food restaurants stationed along the exits on expressways. This volume allows the reader to walk down dusty, shady country roads, examine the exteriors and explore the interiors of some of Colleton Countys most historic buildings, and stroll along the avenues of downtown Walterboro and the beaches of Edisto Island.

About the Author Author Sherry J. Cawley has compiled this vivid history from over 180 postcards and has weaved informative, fascinating text together with personal stories of the area that will both entertain and educate. This retrospective look at Walterboro and Colleton County through postcards will be enjoyed by anyone who can remember or yearn for simpler times when community involvement, friendliness, and charm were a staple way of life and Walterboro was aptly titled the City of Hospitality.
