## **Art Nouveau Jewelry (Paperback) - Common**

**(author) Vivienne Becker : Art Nouveau Jewelry (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Nouveau Jewelry (Paperback) - Common:

A new edition of the title previously published in 1985, exploring the design movement that spread through Europe and the United States for collectors. Comprehensive biographies on over 300 designers are given, with details of over 200 maker's marks and signatures, and illustrations by designers such as Lalique, Fouquet, Hoffmann, and Moser.
