A great book on golf antiques...By Gene LongThis is a beautiful book. An illustrated history of clubs, balls, and accessories. More than 100 full-color photographs from the USGA Museum, beautifully capturing the aesthetics of the sport and its' natural arena. A hit for any golf nut.

One of the best ways to understand the history of golf is to witness the design and evolution of clubs, balls, tees, and accessories. The Art of Golf Antiques is illustrated with more than 85 photographs from the United States Golf Association Museum, which houses the largest collection of golf memorabilia in the country. Readers will take a close-up look at the earliest feather golf balls, mid-19th century clubs from the Royal Perth Golfing Society, Ben Hogan's private collection, and much more. Filled with anecdotes and observations from writers, players, and commentators, The Art of Golf Antiques illustrates the tools and traditions of a beloved sport.

About the Author Gilbert King is the author of Woman, Child For Sale: The New Slave Trade in the 21st Century, which was selected by the Detroit Free Press as one of its ten notable books of 2004. In the award-winning documentary Willie Francis Must Die Again, narrated by Danny Glover, King is interviewed on camera. In addition, King has contributed articles to numerous newspapers and magazines, including Ring Magazine, Playboy, and the San

Diego Union. King lives in New York City.
