**Art of the Knife**

**Joe Kertzman : Art of the Knife** before purchasing it in order to gage whether or not it would be worth my time, and all praised Art of the Knife:

Not One Knife is Unworthy. Every Photo is Exquisite! Art of the Knife showcases, in full color professional-grade photography, 500 of the world's finest art knives made. These are the artists' art knives - sculpted cutting machines embellished with scrimshaw, engraving, gold, precious stone inlays, carving and etching. It's a parade of pearl, ivory, mammoth tooth, Damascus, silver ware, exotic wood, diamonds, rubies and more. It will definitely be a conversation piece when displayed on your coffee table, as well as an inspiration for artists and knife makers alike.
