Australian Naive Art

Sandra Warner : Australian Naive Art before purchasing it in order to gage whether or not it would be worth my time, and all praised Australian Naive Art:

This work provides the reader with a narrative of the Australian experience through the eyes of over 30 "naifs" - their paintings and objects are presented as pieces of a jigsaw which describes the multicultural nature of Australian society. This selection of Naive Art shows Australian inhabitants, landscape, history and way of life. Featured artists include: Ian Abdulla, Susan Wanji, Sylvia and Tony Convey, Maitreyi Ray, Frane Lessac, Elfrun Lach, Sister Clare Connolly, Reny Mia Slay, Malcolm Otton, Howard William Steer, Miriam Naughton, Bob Marchant, Janice Raynor, Max

Walters and Bill Yaxley.
