**From Autograph Media : Autograph Magazine - July 2008: Charlton Heston, Mara Corday, Al Gore, More! (Volume 19 Number 7)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Autograph Magazine - July 2008: Charlton Heston, Mara Corday, Al Gore, More! (Volume 19 Number 7):

This issue features Charlton Heston on the cover and in a feature on his memorabilia inside. Also, recollections of George W. Bush getting spanked (literally!), collecting the Baseball Hall of Fame, Blind Melon, the Hollywood Collector's Show, Al Gore, Maria Corday, and features on science-fiction, sports, politics, and much more!
