[Online library] Official Tractor Blue Book 2006

## **Official Tractor Blue Book 2006**

**Primedia Business Directories Books : Official Tractor Blue Book 2006** before purchasing it in order to gage whether or not it would be worth my time, and all praised Official Tractor Blue Book 2006:

2 of 3 people found the following review helpful. tractor blue bookBy bobruma must have if you want to know the worth of a tractor you plan to buy or sell

This comprehensive guide provides detailed information on farm tractors produced from 1939 through 2005. Included is information covering approximate retail prices when new plus a range of estimated used retail values. Estimated trade-in values are also included to help you determine the approximate retail cash value or loan value for a tractor. In addition, this guide contains specific information on engine size, transmission speeds, and PTO horsepower. Also included is a special section listing serial numbers, allowing you to determine the year a tractor was built. 'The Official Tractor Blue Book' is a valuable resource for anyone buying, selling or trading used tractors.
