On the Road - The Quest for Stamps

Stephen R. Datz : On the Road - The Quest for Stamps before purchasing it in order to gage whether or not it would be worth my time, and all praised On the Road - The Quest for Stamps:

5 of 5 people found the following review helpful. A Must Read For Anyone In The Stamp BusinessBy Dispatch911I became a stamp dealer in the late 1970s then got out of it in the early 80s when the stamp market dropped, I then moved onto Sports cards and when the market for those bottomed out in the early 90s I moved on to coins, I just

recently got back into dealing in stamps since the market for them is strong again, i purchased this book on because it sounded interesting to me, and I was correct, when i started reading I found it hard to put down, I ended up reading the entire book in 2 nights, for a stamp dealer mister Datz is a heck of a good writer, much better than I had expected, he tells the story in an easy to follow fashion and his exploits in the stamp dealing business are funny and revealing, i found myself laughing out load at some of the people he has dealt with over the years, and also how very similar his dealings were to so many of mine (mine of course were on a much smaller scale than his, but similar none the less) if you are a stamp dealer, large or small you will gain a lot by reading this book, I give it 5 stars!0 of 0 people found the following review helpful. See philately from the dealer's perspective.By Garry F. PetersonHop into the passenger seat as a well-known stamp dealer heads out to gather the material (stamp collections and accumulations of all descriptions) he needs to supply his business. Meet the broad array of sellers he encounters. Each chapter is an adventure.7 of 7 people found the following review helpful. Entertaining tales of stamp wheeling and dealingBy A CustomerI enjoy Mr. Datz's anecdotes of the stamp trade in his many books. This book concentrates on stories, without the practical stamp-collecting information to be found in some of his other books. He's a great story teller and has met some truly unusual folks in his travels. Great light reading!

On The Road - The Quest for Stamps is the third in Stephen R. Datz's trilogy about the stamp business. In it, Datz relates his true-life adventures chasing stamp deals all over the map from the desolate hinterlands of Wyoming and Montana to the bright lights of Las Vegas and New York. An amazing odyssey: fast times and big-dollar deals, wild goose chases and third-rate motels, blizzards and tornadoes, eccentric millionaires and desert rats, even hippie hitchhikers. Action packed all the way. You'll be up all night finishing On The Road.

About the AuthorMore than 30 years in the stamp business, author of numerous stamp-related books including "Top Dollar Paid!," "The Wild Side," "The Buyer's Guide," "Stamp Investing," "Stamp Collecting," "The U.S. Error Stamp Catalogue," and others.
