[Mobile library] Ornament in European Silks

Ornament in European Silks

Alan Summerly Cole : Ornament in European Silks before purchasing it in order to gage whether or not it would be worth my time, and all praised Ornament in European Silks:

This fascinating book, *Ornament in European Silks*, was originally published in 1899. The information in this book will still be of use for pattern and ornament designers of today and provide an insight into the history and development of silk manufacture in Europe. Contents include: The Manufacture of Silken Stuffs in Europe; Materials and Processes in

Weaving Silks, Embroideries and Tapestries; Principles Which Have Been Observed in the Designing of Ornament; Silk Patterns of Sassanian, Egypto-Persian, and Byzantine Origin; Silk Patterns of Saracenic, Spanish, Sicilian, and Italian Origin; 15th Century and Early 16th Century Italian Patterns; 16th Century Ottoman and Italian Patterns; 17th century and 18th Century Patterns; and Ornament in Embroidery. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
