## **Overshot is Hot!: The Best of Weaver's (Best of Weaver's series)**

**From Madelyn Van der Hoogt : Overshot is Hot!: The Best of Weaver's (Best of Weaver's series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Overshot is Hot!: The Best of Weaver's (Best of Weaver's series):

0 of 0 people found the following review helpful. Very informative on overshot weaving!By CustomerVery informative. This book many Weaver's projects and a great description of how to design and execute an overshot weaving project.3 of 3 people found the following review helpful. overshot is hotBy chastineMadelyn's done it again! I love overshot any how,it's just plain fun, and this book is jammed with drafts that inspire!! As with any "weaver's" collection, though, all the patterns are just a rehash of patterns used in their magazines, but unless you've been collecting them all since the 80's it's probably new to you. Any book from the "weaver's" collection is a must have!!35 of 35 people found the following review helpful. good book for a 8 shaft loomBy Maria Antonietta PalombaA lot of good ideas best for a 8 or more shaft loom , not a lot of patterns for 4 shaft loom

With more than 30 of the best overshot projects compiled from 20 years of Weaver's magazine and Prairie Wool Companion, this weavers reference combines step-by-step instructions with weaving theory. Such projects as heirloom linens, traditional coverlets, and colorful modern applications for scarves, table toppers, and wall hangings are presented, covering everything a crafter needs to know to design fabulous fabrics in overshot and its cousin star-and-diamond weave. Both beginners and advanced weavers working on at least four-shaft looms will delight in the projects provided.

About the Author Madelyn van der Hoogt is the former editor of Weaver's magazine and the editor of Handwoven magazine and the Best of Weaver's series. She lives in Coupeville, Washington. Alexis Xenakis is the publisher of Knitter's Magazine. He lives in Sioux Falls, South Dakota.
