Patek Philippe: Cult Object and Investment

J. Michael Mehlretter : Patek Philippe: Cult Object and Investment before purchasing it in order to gage whether or not it would be worth my time, and all praised Patek Philippe: Cult Object and Investment:

1 of 1 people found the following review helpful. upside down?By rogerIt's great but mine has the cover on backwards. as in, if you are looking at the cover as pictured in the ad for the book and you open it, you will see the last page upside down. No, i am not referring to the jacket, but the actual hard cover. unless it is supposed to be that way as some kind of Patek tribute I do not get. Let's just say its clear that Patek made the watches, but not the book itself.2 of

2 people found the following review helpful. Five StarsBy d wBeautiful Color Photos!4 of 4 people found the following review helpful. Collectors guideBy AC L.The best,all details for each watch are an invaluable tool for Patek collectorsI am hoping that others will follow soon

Through over 200 vivid color photos, detailed descriptions, and in-depth reporting about valuations, this book is a guide for both watch lovers and investors. It opens up new investment possibilities for the selection and purchase of rare watches by Patek Philippe using an unerringly promising approach! These valuable watches from Geneva represent real property. In an era of bank failures and immense losses, when investors are looking for investments in properties of certain value, classic Patek Philippe wristwatches can be nearly crisis-proof additions to an investment portfolio. This reference gives readers all the necessary details about vintage watches, from dials to hallmarks, allowing readers to invest with confidence. And, of course, this magnificent book contains plenty of information and beautiful photography for those who want only to appreciate the art, aesthetics, and technical excellence of these fine watches.
