I really like the blue cover, it goes with Pepsi. Overall I rate this book 5 stars. This book is a few years old but still a valuable tool for the Pepsi collector or antique dealer. I am hoping the author comes out with a new one soon as there are not too many different Pepsi books out there. Thank you.0 of 1 people found the following review helpful. More Now and Not Enough ThenBy

RickUnless your collection consists of Pepsi items mainly from the 1970's on, then this is the book for you. The title hasthen and now in it. This book has more now and not enough then. It was a total waste of money in my opinion.0

Pepsi-Cola*^r marked its 100th anniversary in 1998 with much fanfare for the internationally known beverage! This book compiles a fabulous array of Pepsi-related collectibles, shown with a price guide. Items pictured include advertisements, bottles, jewelry, knives, signs, tablewares, toys, umbrellas, and watches. Also are items limited in production, test items, early products, and products internationally owned and distributed by Pepsico, Inc. such as Aspen, Jake's Diet Cola, Devil Shake, Tropic Surf, Skandi, Patio, Kas, Mirinda, Pepsi's H2OH! line, Teem, Josta, and, of course, Pepsi-Cola, Mountain Dew, Slice, Mug root beer, and much more. If you are a collector who thirsts for Pepsi collectibles or other soda advertising memorabilia, this book is for you!
