[Ebook free] Picasso's Ladies: Jewellery by Wendy Ramshaw

## **Picasso's Ladies: Jewellery by Wendy Ramshaw**

**From Brand: Arnoldsche Verlagsanstalt GmbH : Picasso's Ladies: Jewellery by Wendy Ramshaw** before purchasing it in order to gage whether or not it would be worth my time, and all praised Picasso's Ladies: Jewellery by Wendy Ramshaw:

4 of 5 people found the following review helpful. Flawless Picassos, flawless jewelry, flawless photography. By Driscoll Kent Bell If you are an enthusiast of either contemporary jewelry and metalwork or the prolific stylings of Picasso's paintings, you must see this book. Each turn of the page presents a new and exciting jewelry design by Wendy Ramshaw on the right and on the left, the Picasso masterpiece that inspired it. Never has a jewelry collection been so intimate, so stylish and so compassionate. Any artist seeking a point of departure in thier own work need only look here for the blueprints to inspiration.

A new publication in Arnoldsche's "Monographs on Contemporary Jewellery" series, this book on the work of Dutch jewellery-maker Robert Smit sets a new standard in documentation and book design. The authors trace the creative process from Smit's first idea through various intermediary stages to the finished piece of jewellery - necklaces and broaches, chains and rings in plastic and Lucite, gold and enamel. The artist's free-hand drawings and design sketches

as well as his personal thoughts and notes are included, affording a comprehensive overview of his methods.
