[PDF] Pieces Canadiennes De 1 Cent 1920-2012: Album de collection pour pieces canadiennes de 1 cent (French Edition)

Pieces Canadiennes De 1 Cent 1920-2012: Album de collection pour pieces canadiennes de 1 cent (French Edition)

From Krause Publications : Pieces Canadiennes De 1 Cent 1920-2012: Album de collection pour pieces canadiennes de 1 cent (French Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pieces Canadiennes De 1 Cent 1920-2012: Album de collection pour pieces canadiennes de 1 cent (French Edition):

0 of 0 people found the following review helpful. This French folder was very inexpensive given that the English ...By MrJBondThis French folder was very inexpensive given that the English version is 12 times more expensive. Since I read French, this was a bargain. In terms of quality, the folder holds the coins well.

House your entire Canadian small cent collection in a single folder! This large formatted coin folder is perfect for collectors of any age and experience level, and sturdy enough to hold up over time. In addition to openings for each year that the small cent was issued since 1920, the folder also provides a section to house every obverse design ever minted for a total of 107 openings. Inside the folder you will find a detailed history of the Canadian cent, including the end of its production in 2012. A chart illustrates the specifications--composition, weight, diameter, thickness and edge design--that the coin has carried throughout its lifetime. A perfect way to keep your Canadian cent collection, and facts, in one place as the collectability continues to rise!
