[Download pdf] Planet of the Apes Collectibles: An Unauthorized Guide with Trivia Values (Schiffer Book for Collectors)

## **Planet of the Apes Collectibles: An Unauthorized Guide with Trivia Values (Schiffer Book for Collectors)**

**Christopher Sausville : Planet of the Apes Collectibles: An Unauthorized Guide with Trivia Values (Schiffer Book for Collectors)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Planet of the Apes Collectibles: An Unauthorized Guide with Trivia Values (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. It brings back memoriesBy fanOk, the prices are out of date so buying this book is like buying a 1999 Comic Buyer's Guide; but if you are an Ape fan the pictures alone are worth the price. I consider this a checklist as well as a welcomed stroll down memory lane counting all of the toys and model kits that hit the trash pile four minutes after I discovered girls.4 of 4 people found the following review helpful. A GREAT BOOKBy GodBlessUSAThis is a wonderful book if you are interested in Apes memorabilia. Looking at this book sometimes brings me back to my childhood (a comfortable time) which is nice. The author shows a great

appreciation for The Planet of the Apes. The only reason I did not give it five stars is because it did not show all memorabilia of the Apes which in all fairness would be an almost impossible task. This book really is fantastic!!0 of 0 people found the following review helpful. Five StarsBy brownwavery well done in setup as current as can be

Collectors, science fiction fans, and movie aficionados will all go ape over this thorough and entertaining guide to the Planet of the Apes. A detailed listing of collectibles from the original film, the sequels, the television series, and the animated cartoon are all presented. Over 330 color photographs accompany the text. Values are provided for every item listed in the collector's guide. The author also provides a test of every fan's memory with his trivia challenge. Black and white stills from the original movie are found throughout the quiz, adding to the enjoyment and, with a little luck, jogging the memories of all who see them. Finally, a bibliography of Apes references rounds out the presentation.

About the AuthorChristopher R. Sausville has long been an avid collector of "Planet of the Apes" memorabilia. He and his wife live in Halfmoon, New York.
