## Playful Home: Creative Style Ideas for Living with Kids

**Andrew Weaving : Playful Home: Creative Style Ideas for Living with Kids** before purchasing it in order to gage whether or not it would be worth my time, and all praised Playful Home: Creative Style Ideas for Living with Kids:

Tapping into today's trend to return to unstructured playtime and move away from over-scheduling and electronic games, Playful Home is perfectly suited to the times. Andrew Weaving celebrates the best of childhood, from his favorite games and crafts projects to the whimsical decor that kids love. The result is kids rooms designed to feed and inspire the imagination, as well as to hold fabulous collections of toys and books. With the philosophy of integrating play into our daily lives, Playful Home looks at twelve family homes designed with children in mind, from the foyer to the back door, which stylishly embrace kids activities and interests. The featured spaces are the kids rooms, which combine flair and fun so successfully that they end up being the hub of the entire house. Including design ideas for displaying toys and collectibles, plus clever ways of storing them, as well as great tips on how to make murals and unique wall decorations, Playful Home inspires creativity as well as good design.
