Porcelain Painting with Uwe Geissler (Schiffer Craft Book)

Uwe Geissler : Porcelain Painting with Uwe Geissler (Schiffer Craft Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised Porcelain Painting with Uwe Geissler (Schiffer Craft Book):

0 of 0 people found the following review helpful. Five StarsBy Shirley FitzpatrickI will enjoy using this book0 of 0 people found the following review helpful. Do not buy this book.By Jane DominickAbsolutely no color plates in the book. One of the necessities in painting is color. I sent this item back.0 of 0 people found the following review helpful. Five StarsBy soniaExcelent book ideas and images

This book is for the beginning and advanced painter alike. Here is a wealth of painting knowledge and an introduction to the time-honored techniques of porcelain painting, the necessary tools and the designs. The central focus of the book is the classic flower painting, but it also presents modern Art Deco designs. Numerous step-by-step instructions and color photographs make this an ideal book for the amateur and professional painters. The patterns are easily transferred to the porcelain objects they wish to paint.
