## Postal Service Guide to U.S. Stamps 32nd ed, The

**United States Postal Service : Postal Service Guide to U.S. Stamps 32nd ed, The** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Postal Service Guide to U.S. Stamps 32nd ed, The:

0 of 0 people found the following review helpful. Every stamp collector needs this guide By Dan Granted this guide is a must. But remember that the guide is updated yearly and is always one year behind the stamps that are current. If you need to identify stamps, find their Scott number, find out their approximate collecting value, or see if similar stamps were published, this is the book for you. 4 of 4 people found the following review helpful. Excellent overall reference book By Mary loves Murder The USPS Guide to US stamps is the best illustrated and best priced general guide to US stamps. Specialists will want more specific information, but for the general collector the info here is quite adequate, and the color photos are very helpful. It's easy to use, too, and affordable. It fills its niche in philatelic reference material quite adequately. 2 of 2 people found the following review helpful. Great summary By J. MORGAN The Postal Service Guide provides an excellent opportunity to get a ballpark value of an existing collection or to fantasize about your next purchase. Any stamp collector should find this guide a helpful tool. Stamps are pictured in color with information regarding date of issue, value and description.

Now in its 37th edition, *The Postal Service Guide to U.S. Stamps* is an indispensable handbook for philatelists and hobbyists everywhere. The only fully-illustrated, four-color guide to U.S. stamps, this official publication from the United States Postal Service provides the most comprehensive information available about the U.S. stamp program and its vivid history. Every category of U.S. stamp is included: definitive, commemorative, airmail, duck stamps, and stamped envelopes and the book is organized into easy-to-use, color-coded sections for quick access.

**From the Back Cover** In an easy-to-use, oversize format, *The Postal Service Guide to U.S. Stamps* is just the delivery you've been waiting for! The only fully illustrated, full-color guide to U.S. stamps, this official publication provides the most comprehensive information available about the U.S. Stamp program. Beginning with the first stamps issued in 1847, *The Postal Service Guide to U.S. Stamps* covers more than 4,000 stamps issued up to the present and also includes: An updated Stamp Series section that lists the stamps issued in each official series, such as Legends of Hollywood, Black Heritage, and Nature of America Every category of U.S. stamp: definitive, commemorative, airmail, duck stamps, stamped envelopes, and more all organized into user-friendly, color-coded sections for quick access Detailed listings for each stamp, with color illustrations, Scott catalog numbers, dates of issue, used and unused prices, quantities issued (when known), and separate listings for design variations The complete 2010 stamp program with First Day of Issue details Advice on how to start your own stamp collection A resource section, a glossary of important terms, and much more! **About the Author** John E. Potter is the Postmaster General and Chief Executive Officer of the United States Postal Service. James L. Bruns is Director of the National Postal Museum, Smithsonian Institution, located in Washington, DC.
