Presidential Dollars Collector's Folder

From Whitman Publishing : Presidential Dollars Collector's Folder before purchasing it in order to gage whether or not it would be worth my time, and all praised Presidential Dollars Collector's Folder:

1 of 1 people found the following review helpful. A Great Way for Kids to Learn the Names and Order of the Presidents By Charles John Gervasi My 5- and 7 y/o kids use it to collect the presidential dollars. It has very brief info about each president-- really just when they lived, where they were born, and their nickname. I wish it gave a little more, like one or two things each president is known for or maybe the story behind the image used on the coin. It doesn't give any of that. But when and where they were born and their nickname is about all little kids have patience for. The presidents are in order so the kids are learning the presidents' names and when they were president as they sort through dollar coins looking to fill the book. Knowing that will probably make it easier when they're older and study history. 0 of 0 people found the following review helpful. Five Stars By Gantman40 Great! 1 of 1 people found the

following review helpful. The coins fit better than other folders I've triedBy ThaoThe coins fit better than other folders I've tried. Not the prettiest but it does the job for a simple collector.

In December 2005, Congress approved the creation of a new dollar coinage, known as Presidential dollars, and President George W. Bush signed the legislation into law shortly afterward. During each year from 2007 to 2016, four different dollar designs, each bearing the image of a different president, are being released. Living presidents, both current and former, are excluded from the program-thus the roster of presidential honorees currently stands at 37. For these presidents, 38 coins are planned; this is because Grover Cleveland, who to date is the only president to serve multiple nonconsecutive terms, will be represented with two coins. The Presidential dollars are part of the Golden Dollar Program and retain the same golden color as the Sacagawea dollars. The motto IN GOD WE TRUST appears in edge lettering-a first for a U.S. coin, as the motto has never before appeared on the rim. The year of issue is likewise on the rim. Folder Size 7" x 9,5". 44 Openings.
