L-W Book Sales : Price Guide to Majolica before purchasing it in order to gage whether or not it would be worth my time, and all praised Price Guide to Majolica:

Book by L-W Book Sales

Majolica has delighted pottery collectors for centuries- and the vivid figural pieces from many potters, studios, and manufacturers are shown in this new volume. Sets, designs, and individual pieces are easily identified due to the orientation of the chapters. Full color photographs of lustrous ceramic displays and a devoted history of the origins of majolica create a panoramic masterpiece to capture the attention of clayware enthusiasts everywhere. 1997
