[Read and download] Professional Hand Weaving on the Fly-shuttle Loom

## **Professional Hand Weaving on the Fly-shuttle Loom**

**Laya Brostoff : Professional Hand Weaving on the Fly-shuttle Loom** before purchasing it in order to gage whether or not it would be worth my time, and all praised Professional Hand Weaving on the Fly-shuttle Loom:

0 of 0 people found the following review helpful. Older book, but good infoBy T. TuengeThis book was written in the 70's and the illustrated woven items are dated, but the info about weaving is good. There are probably a lot more fly shuttle looms around now. And a lecture about their usefulness and applicability to hand weaving is not necessary any longer. I got it for the info specific to the fly shuttle set up. Good illustrations. 1 of 2 people found the following review helpful.
