The photography, print and paper quality in this one are superb0 of 0 people found the following review helpful. Beautiful picturesBy Taylor KlarI purchased this as a gift for my S.O. who is obsessed with watches. I figured it was a win-win. He would get to learn more about watches and I would be gaining a beautiful coffee table book.0 of 0 people found the following review helpful. *Watches*By Gina WhitePurchased this book for my god son, who is totally into watches at the age of eight, he truly enjoyed the book.

*Quintessentially Watches* is a luxury coffee-table book detailing the story of horology. Featuring the most luxurious and well-regarded watch makers in history, this is *Quintessentially's* recommendations concerning the most coveted watches available. Punctuated with articles from industry-famous editors detailing the most iconic timepieces, the fascination and obsession with watch collecting, the growth and popularity of watch enameling, and the importance of independent watch makers and their traditions being taken into the twenty-first century. A must-have for any timepiece enthusiast.
