Ray Manley's the Fine Art of Navajo Weaving

Steve Getzwiller : Ray Manley's the Fine Art of Navajo Weaving before purchasing it in order to gage whether or not it would be worth my time, and all praised Ray Manley's the Fine Art of Navajo Weaving:

0 of 0 people found the following review helpful. It's become my go-to referenceBy decliI write social media posts about Navajo Weavings. This has become my go-to reference when researching the history of how each of the regional styles of rugs originated. It's interesting to see where the different types came from and how they were influenced by the different trading posts. Illustrated with beautiful weavings, and photos of the amazing women who create these works of art.0 of 0 people found the following review helpful. Five StarsBy Lynda M. BreezeBeautiful weaving projects. Great for ideas. Enjoyed the book. It is rather advanced.lovely book2 of 2 people found the following review helpful. Ray Manley's the Fine Art of Navajo WeavingBy J. PayneThis is an informative large scale paperback book with color plates on every page being a total of 51 pages.There is a framed color chart with information on what plants were used to make the dyes for the wool andlocalities and names of the Weavers of these beautiful rugs.For a book that is 20 years old and full of such great information it was a good buy.

Some great Indian treasures.
