Michael Pitt : Renniks Australian Coin Banknote Values 26th Edition: The coin collectors reference before purchasing it in order to gage whether or not it would be worth my time, and all praised Renniks Australian Coin Banknote Values 26th Edition: The coin collectors reference:

1 of 1 people found the following review helpful. Bitter sweetBy keithGreat color illustrations, was disappointed with the cataloging of the nugget series. But overall a good book for reference

This comprehensive guide to Australian Coin Banknote Values contains over 2,800 photographs, and countless thousands of valuations. This book is a must for all collectors, whether you are just beginning or an advanced

collector. Latest information compiled using weighted averages where possible to ensure accuracy of pricing. Quality reproduction of photos makes it easy to identify items. Plus NEW Royal Australian Mint, Perth Mint Australian Post numismatic products.

About the Author Micheal T. Pitt has been involved in publication of most of the Renniks books since 1992. Although not a numismatist, he is very familiar with the subject.
