Roping is still relevant!By organikfanatikWoo Hoo! This book is amazing! Highly recommend it for anyone wanting to learn the art of roping...0 of 1 people found the following review helpful. Roping for dudesBy CustomerShould be called trick roping, or roping for dudes. Was looking for some old timer insight, not lessons on spinning a rope and jumping through it. continues to not have any

relevant books for the working cowboy

You can spin the rope almost any place and any time, and the only equipment needed is your ropes. And you do not need others to help you it is a one-man sport. You can even practice in the drawing room of your home if you do not have much respect for your furniture, draperies, and the light fixtures!
