[Free and download] Roseville Pottery: Warman's Companion (Warman's Companion: Roseville Pottery)

## **Roseville Pottery: Warman's Companion (Warman's Companion: Roseville Pottery)**

**Mark F. Moran : Roseville Pottery: Warman's Companion (Warman's Companion: Roseville Pottery)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Roseville Pottery: Warman's Companion (Warman's Companion: Roseville Pottery):

0 of 0 people found the following review helpful. Five StarsBy Roxann Valdes-rasmussenSuch an amazing resource! I

love that they are grouped by pattern.0 of 0 people found the following review helpful. Three StarsBy Clifton K. Brynerit's ok !!!16 of 17 people found the following review helpful. Very DisappointingBy David S. CampbellLooks like they took the larger Warman's (2004)(which I have and like a little) and republished much of the same info in a smaller version. I was expecting a significant addition of material. If you need Roseville books: Bassett's Introducing (2001), Bassett's Understanding (2002), Bassett's Prices (2005), Jack and Nancy Bomm - Roseville in all its Splendor (2004). Bassett's prices are close to reality. The Warman's (2004) book has some prices that are low and some that are right on. Many of Huxford's (2001) prices seem to be way too high. If you get the 3 Bassett books and the Bomm book, you have a good core set to use.UPDATE: The New MOLLRING book, "Roseville Pottery" 11th Ed., copyright 2006, is really good for collectors. Cons: Black and White Pictures. Pros: Updated Prices, concise reference, very comprehensive. A must have book for Roseville collectors. Dave.

-Exciting new series from Warman's -- the champion of collectibles references -Rich earthy colors allow Roseville pieces to match almost any decorating pallet -Routinely featured at high-profile collectibles auctions This vibrant companion guide for collectors on the go is as informative as it is portable. Readers will find current prices and detailed descriptions to help them make savvy collecting decisions. Built on the success of the larger Warman's Roseville Pottery reference, this book: -Covers the intriguing evolution of Roseville, from humble beginnings to internationally recognized collectible category -Features authoritative pricing and 1,100 superb color photos useful in identifying and assessing collections, and wish list items -Teaches collectors how to spot Roseville fakes and forgeries in the marketplace, and avoid costly purchase errors Perfectly portable and priced right, Roseville Pottery, is the best companion collectors can have.
