Rörstrand Art Nouveau Porcelain from Sweden (English and German Edition)

Bengt Nyström : Rörstrand Art Nouveau Porcelain from Sweden (English and German Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rörstrand Art Nouveau Porcelain from Sweden (English and German Edition):

Lipio Rörstrand has been a dream to me, to one day own a piece. The older ones have the most appeal. When I first heard of it, it was accidental and I bought my first book to have a better glimpse on the product. This book has one of the best pieces I have yet seen, excellent colors and just works that one cannot find anywhere today. If you are a fan of Rörstrand, then this is most definitely a book to get.

With approximately 170 objects from a German private collection, this publication shows outstanding examples of the Rrstrand production at the time of Art Nouveau.
