Scott A. Travers : The One-Minute Coin Expert: 3rd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The One-Minute Coin Expert: 3rd Edition:

The experts have known it for years: small change is big business. Now Scott Travers, one of the most knowledgeable and influential coin dealers in the world, shows how you, too, can turn a profit from cents, nickels, and dimes. Case in point: In 1995 the U.S. Mint accidentally produced a number of Lincoln head cents from "doubled dies" (a doubling of some of the letters is visible). These errors are worth from \$30 to \$100, depending on their condition! With One-Minute Coin Expert, you will learn how to find the hidden fortune in your pocket change start your own lucrative coin collection handle and store those important coins ensure that you're buying and selling your coins at market value chart the coin market and discover the best times to buy and sell grade coins like the professionals and much more! Comprehensive, meticulously organized, and packed with valuable insider's tips, this indispensable sourcebook just might convert that jar full of loose change into a treasure chest.
