in Movie posters! I'm very pleased with my purchase.1 of 2 people found the following review helpful. Waste Of MoneyBy David L. WilhiteI thought by the description that this would be a price guide like the comic book edition etc. Its not, just a guide on how to collect them and what to look for. I wanted a price guide and their are none online to buy that I can see. Guess i just need to follow Ebay and what people are asking for the ones they have listed. Thanks anyway but as a reference guide its just not there.2 of 2 people found the following review helpful.
