The Politically Incorrect Guide to the Middle East

Martin Sieff : The Politically Incorrect Guide to the Middle East before purchasing it in order to gage whether or not it would be worth my time, and all praised The Politically Incorrect Guide to the Middle East:

1 of 1 people found the following review helpful. Best Book on the Middle East ConflictBy cnwoolleyThe best book on the Middle East that I have read. The author, Martin Sieff, really digs into the history of the Middle East Conflict. He gives a very concise history of the entire region starting from the fall of the Ottoman Empire to the present day. Since the book was written before Obama became President, it would be nice to know his opinions on the current administration since he gave very blunt reviews of past administrations.1 of 1 people found the following review helpful. The Truth ...By Mario J. MachadoYou want to understand the Middle East ProblemRead it and weep ... you will understand. One thing I do know, gov't and mass media is not telling 80% of the story.1 of 1 people found the following review helpful. CarlosBy CarlosThe book is informative and well organized. It gives you the events as they happened without giving you all the crap of the politically correct. Very well written.

The Harsh Truth about the World's Roughest Neighborhood. Combine religion, race, the Cold War, America's enemies, and a history of colonialism, and you've got a breeding ground for the most virulent strains of politically correct mythology, distortions, and cover-ups. Welcome to the Middle East. In the Middle East, the cost of PC distortions can be measured in the lives of American soldiers, Iraqi civilians, Iranian dissidents, and Israeli Jews. Faith in the magic of democracy, a blind eye to the truth about Islam, and a fruitless search for terrorism's "root causes" - all of these PC delusions weaken America and draw out the violence there. The Politically Incorrect Guide to the Middle

East is not an academic exercise; it is crucial reading for understanding the most important conflicts of our time. ---
