The Postal Service Guide to US Stamps 30th ed

United States Postal Service : The Postal Service Guide to US Stamps 30th ed before purchasing it in order to gage whether or not it would be worth my time, and all praised The Postal Service Guide to US Stamps 30th ed:

5 of 5 people found the following review helpful. Money well spent!!!By BOOK WORM 19My husband is a beginner at stamp collecting as a hobby. This little book is fantastic. It numbers all your stamps, in a easy to read format. We had been to a stamp and coin store, the week before. We bought a book that was suggested by the store clerk and spent well over \$50.00. This little book is just as good, if not better. At a very GOOD Price. Thanks, !11 of 11 people found the following review helpful. THE ONE!By A. P. WaddellThis is the ONLY book you need to view and price the value of United States stamps. I frequently refer to this book to find it's number to place in my stamp collection. Souvenir Pages, American Commemorative Panels and the Subject Index listed in the back of the book are invaluable! It is chock-full of pictures, information and, once you get to looking through the book, you can't put it down! A MUST for anyone who collects United States Stamps.

The only fully illustrated, four-color guide to U.S. stamps, this official publication provides the most comprehensive information available about the U.S. stamp program and its vivid history. Beginning with the first stamps released in 1847, The Postal Service Guide to U.S. Stamps covers nearly 4,000 stamps issued up to the present, as well as: Every category of U.S. stamp -- definitive, commemorative, airmail, duck stamps, stamped envelopes, and more -- all organized into easy-to-use, color-coded sections for quick access Detailed listings for each stamp, with color illustrations, Scott catalog numbers, dates of issue, used and unused prices, quantities issued (when known), and separate listings for design variations A complete guide to the new 2003 commemorative stamp program Advice on how to start your own stamp collection A resource section, a glossary of important terms, and much more!

About the Author William J. Henderson is the Postmaster General and Chief Executive Officer of the United States Postal Service. James L. Bruns is Director of the National Postal Museum, Smithsonian Institution, located in Washington, DC.
