It is a wonderful book filled with photosand pockets containing letters, speeches and invitations.Thought I would give this as a gift to a wonderful family who helped decorate the White House for Christmas in2014. This family has added this book to the plethora of other memorabilia of the President and Mrs. Obama.I was lucky enough to find it on and wish it were in print once again.0 of 0 people found the following review helpful. Obama Family MemorabiliaBy Granny LocksVault was a little more worn than I expected, I had to glue some of the envelops back in place. But I collect Obama memorabilia, so I am grateful for it and the price was decent.0 of 0 people found the following review helpful. Great for the Table or bookBy MrsmetroHistory made and delivered. Great for the Table or book shelf

On January 20, 2009, Barack H. Obama raised his hand and lifted the nation. His historic inauguration as America's 44th president celebrated the unique character of American democracy, and the promise of a new day. This two-book Limited Edition Collector's Vault box set captures the excitement and passion of one of the most important inaugurations in U.S. history, and introduces you to Michelle Obama and the first family. Tucked among the pages is a treasure trove of memorabilia: souvenir replicas including official invitations, inaugural ball tickets, autographed portraits, family photos, personal letters, and more pieces of history that you can remove from the book, hold in your

hands, and share with your own family.
