The Snuff Taker's Ephemeris (Volume 5)

R W Hubbard : **The Snuff Taker's Ephemeris (Volume 5)** before purchasing it in order to gage whether or not it would be worth my time, and all praised **The Snuff Taker's Ephemeris (Volume 5)**:

The world's only periodical devoted to smokeless tobacco! Delve deep into the history of snuff and snus while keeping up with current events. Whether you're a long time snuffer or have yet to take your first pinch, you're sure to be informed and entertained by **The Snuff Taker's Ephemeris!**
