The Surfboard: Art, Style, Stoke

Ben Marcus : The Surfboard: Art, Style, Stoke before purchasing it in order to gage whether or not it would be worth my time, and all praised The Surfboard: Art, Style, Stoke:

0 of 0 people found the following review helpful. This was a beautiful book. Loved the photographyBy CustomerThis was a beautiful book. Loved the photography!! I am a glass artist and i gained a lot of inspiration and ideas after

thumbing thru this book0 of 0 people found the following review helpful. Husband likes itBy nicedecorI bought this for my husband because I saw it sitting in the cart box but never made it to the check out because my husband just can't buy anything for himself; so I did it for him :) It made a good Christmas gift and he really likes all the info...0 of

0 people found the following review helpful. Surfing does have a rich and dignified history.By Surfin in the IslandsExcellent little treasure about surfing history and the boards that followed. Well written, great photographs. Its on my Kindle and its just like having the book in front of me.

A richly illustrated history of the surfboard from the first hand-crafted wave-riding redwood planks to the "plastic fantastic" technological marvels of today

Surfers Journal
