Very informational and helpful in locating and visiting a number of places. We had great experiences in Blue Mtn and The Thin Bear (drawers full of Anastazi pottery plus amazing owners)/Blanding. Cow Canyon in Bluff had some wonderful displays. Recommend book to enhance your travels. 1 of 1 people found the following review helpful. Still the ultimate guide book for trading posts By D. Kjarland While this book is quite outdated, it's still invaluable in many ways. The history alone is worth it. Most of the TP's are still in the same location, and most still have good reputations. It definitely separates the wheat from the chaff. Don't just go in and look around - talk to folks. Ask if they have a back room. That's sometimes where the good stuff is (like the expensive rugs). 5 of 5 people found the following review helpful. A Must for Southwest Indian Products Shoppers By rug guy Just returned from Navajo reservation shopping trip. This book was invaluable in finding the products I desired and saved time in eliminating "souvenir" type experiences. I met some of the same great and helpful people characterized in the book. Not real user friendly in terms of geography. You have to shuffle through pages to find out where you are on the road or highway relative to the locations described. Needs to be updated : example: Chambers trading post not at all as described - must

have changed hands some time ago. Dirty and "junky".

All the information you'll need to visit more than two hundred trading posts.
