The writers of this "guide" need to look up the definition of "Ultimate"By BL0123There is nothing "Ultimate" about this guide, it's more or less a 30 page advertisement for Time4Luxury. This piqued my interest as I am already in the industry and am always searching for added knowledge. This "Guide" hardly takes you through any key steps you need to know prior to buying or selling the product, it reads as if it was taken off of Wikipedia.I will save everybody the 99 cents it cost me to buy the Kindle version: Part 1: Rolex is a watch brand. Part 1a: There are different types of Rolex watches. Part 2: You should sell your watch online,

specifically through Time4Luxury for no reason other than delusion.

This guide from Time4Luxury, a Miami-based luxury watch retailer, has two parts. The first is a step by step guide with advice on how to purchase your first Rolex. The second part explains how to get the best price for your Rolex by selling it online.
